Welcome to the BSME U15 Games

hosted by Cranleigh Abu Dhabi

On behalf of the BSME team, I extend a warm welcome to you all! To our competitors, teachers, parents and friends traveling from all parts of the region: Welcome to the BSME U15 Games 2018.

This event would not have not be a success without the extensive dedication of Laura Rigon and her team at Cranleigh Abu Dhabi. We would like to extend our thanks to Cranleigh Abu Dhabi team for not only hosting our sporting tournaments but also hosting our BSME Dance Invitation-al. Thank you for giving our students the opportunities to

perform both on the courts, pitches and on stage.

Congratulations to our students on the privilege of representing your school at the BSME U15 Games. Prepare yourself to be challenged, excited and inspired as we embark on three days of intense competition. After months of training with your coaches' and parents' support, this is the opportunity for us to witness history in the making. Past records may be broken and new ones set in place. We wish all schools partaking in this year's Games the best of luck and enjoy every moment.

Keep an eye on BSME social media platforms (@BSMEorg) to follow the action, and share your experience by tagging us.

Let the Games begin!

Husain Shafei

BSME Students Coordinator

Congratulations to you all. Having been selected to represent your school at one of the region's most prestigious inter-school sporting events, you are about to embark on a fantastic weekend of competition and camaraderie, the memories of which will stay with you for years to come.

Many thanks to the BSME for the tremendous focus it places on competitions like this one. The BSME works hard to "...foster teamwork and determination, celebrate diversity within the region, and provide every student the opportunity to be the best they can be."

These kind of goals resonate deeply with us and we are delighted to have been able to work alongside the BSME team to bring the 2018 U15 Games alive.

So, a very warm welcome to Saadiyat Island and in particular, to Cranleigh Abu Dhabi. It is our first time hosting these Games and we are excited to be able to offer our own campus, as well as that of our close neighbour, NYU Abu Dhabi, for the event. Between us, we are able to provide the kind of world class facilities that should inspire you to perform at your absolute best.

Sport is an integral part of a great education. It is no coincidence that there are so many sporting analogies used in the professional workplace; the games we learn as children help to prepare us for life as effective adults.

Competitive sport, in particular, tests us in all kinds of ways, both physically and psychologically. Going into these Games, I hope your training schedule has helped you gain good levels of fitness and that your squad work has built a bond that will ensure effective and rewarding teamwork.

I would like to leave you with one message. Whether you emerge as winners or not, remember that your only limit is the one you set yourself. So aim high and be proud of how you conduct yourself both on and off the pitch.

Good luck everyone!

Michael Wilson

Principal, Cranleigh Abu Dhabi

Codes of Conduct

Players Code of Behaviour

- Be a good sport and play for enjoyment
- Strive for personal excellence
- Work hard for your team as well as yourself
- Treat all teammates and opponents as you enjoy being treated yourself
- Play by the rules
- Cooperate with team and game officials
- Control your behaviour on and off the field
- Learn to value honest effort, skilled performance and improvement

Parents Code of Behaviour

- Encourage participation by your children
- Provide a model of good sportsmanship for your child to copy
- Be courteous in your communication with players, teachers, game officials and sport administrators
- Encourage honest effort, skilled performance and team loyalty
- Make any new parents feel welcome on all occasions
- Do not interfere with the conduct of any events

Spectators Code of Behaviour

- Demonstrate appropriate social behaviour
- Remember children play for enjoyment. Don't let your behaviour detract from their enjoyment
- Let game officials conduct events without interference
- Support skilled performances and team play with generous applause
- Demonstrate respect for opposing players and their supporters

Team Members Code of Behaviour

As a team member

- Compete by the competition conditions and rules
- Never argue with the Judge's, Referee or Umpire's decision
- Control your temper - no criticism by word or gesture
- Work equally hard for yourself and your team
- Going to bed at a reasonable hour will assist your own and your team's performance
- Be a good sport. Encourage and support your own team members
- Cooperate with your coach and teammates. Show respect for your opponents and their skills
- Be friendly to all participants

As a guest in hotels

- Check for any damage to premises on arrival and notify your team official
- Keep your room tidy—make your own bed, help with chores
- Do not leave the accommodation area without permission from the team manager
- Be aware of which teacher is on supervision duty
- Know where your team officials are staying

Team Officials/Teachers/Coaches Code of Behaviour

- Ensure that your behaviour at all times does not bring the name of "School Sport" into disrepute
- Avoid over-playing the talented players. All players need and deserve appropriate time
- Develop team respect for the opponents as well as for the officials and opposing coaches
- Compliment participants on their efforts
- Condemn unsporting behaviour
- Ensure that your behaviour is consistent with the principles of good sporting behaviour
- Refrain from criticism of or reaction to the umpire's/referee's judgement and decision
- Maintain a standard of dress appropriate to the presentation of the team
- Refrain from overzealous coaching from the sideline
- Refrain from smoking and consuming alcohol at any time while in the direct supervision of students

Sanctions

- Draw attention of the individual to the Code of Conduct, which will be displayed at the event
- The Games Coordinator will speak to the staff member who is in charge of the school
- The Games Coordinator will then issue an official warning and record notes surrounding the incident. (The notes will be passed onto the BSME Students Coordinator after the event who will send a follow up email to the Principal of the school copying in the Head of PE)
- The Games Coordinator will ask the individual to leave the ground
- The BSME Students Coordinator will keep a record of all sanctions

Sanction at the time of the event

- Team/squad size breach of rules and age eligibility, the team/individual will be allowed to carry on playing. All results against that team will be null and void
- Swimmer/athlete involved, the whole school will be removed from the competition

How the Games Work (Point System)

Football, Netball & Volleyball

Each team will play all teams in their group. The teams will be seeded and entered into the knockout games. The knockout tournament will determine the overall ranking.

Teams who finish 1st, 2nd and 3rd will receive a trophy and medals at the end of each day. There will be one team in each competition that will be awarded the **Sportsmanship Trophy**. There will be one vote per school which will be taken during the tournament. **Player of the Tournament** will be voted by the referees/umpires to the most talented performer during each competition.

Athletics

Athletes will receive points for each event. Teams will be ranked on the total number of points gained. Medals for 1st, 2nd & 3rd place will be given for individual events as well as trophies for overall positions.

Fair Play Award

There will be one team overall voted the **Fair Play Award** for the U15 BSME Games. Votes will be collected on the final day and the award will be presented during the Gala Dinner.

Overall Championships

These points will accumulate over the three days of competition to a BSME U15 Overall Champion.

The Hosts: **Cranleigh Abu Dhabi** | UAE

Cranleigh Abu Dhabi was opened in September 2014, and is the sister school to the prestigious Cranleigh School in Surrey, UK, which was founded in 1865.

The two schools work together closely, sharing the same family-based community ethos and an educational philosophy that focuses on the whole child. This means that alongside academic excellence, there is an emphasis on ensuring students are active beyond the usual timetable, challenging themselves to move out of their comfort zone and achieve beyond their expectations. Whether that is on the sports field or through a performance platform, the intention is that every child finds a niche where he or she can stretch, succeed and shine.

Based in Abu Dhabi's Cultural District on Saadiyat Island just next to the Louvre Abu Dhabi, the school offers a British international curriculum and has over 1,300 pupils from more than 60 nationalities, spanning FS1 to Sixth Form. Cranleigh Abu Dhabi was shortlisted for International School of the Year 2018 in the Tes Independent Schools Awards, voted Top School in Abu Dhabi in SchoolsCompared.com's UAE Top Schools Awards 2017 (runner up in the UAE) and also named New British International School of the Year 2017 by the BIS Awards.

Al Yasmina Academy, Abu Dhabi | UAE

Al Yasmina Academy is part of the Aldar Academies network, which consists of seven schools in Abu Dhabi. We have a long association with the BSME competitions, have hosted the BSME swimming for the last three years and are looking forward to hosting again this year. In recent years we have also regularly competed in the BSME netball competitions. After a break from competing in the BSME Games, last year saw Al Yasmina return to these competitions. All students, parents and teachers are extremely excited about the opportunity to participate again.

Providing our students with opportunities to excel and test themselves against the best is at the forefront of all that Al Yasmina Academy does whether this be in academics or sport, and we view the BSME events as the pinnacle of sport in the Middle East.

Brighton College Abu Dhabi | UAE

BRIGHTON COLLEGE
ABU DHABI

Brighton College Abu Dhabi boasts state-of-the-art facilities and is committed to offering its pupils a vibrant and challenging learning environment. The College provides a distinctive British independent school ethos which reflects the values and dynamic culture of Abu Dhabi and the United Arab Emirates.

Sport forms an integral part of a pupil's life at Brighton College. The ethos of the Sports Department is sport for all, with a focus on progression and enjoyment. We believe that every child should be given the opportunity to develop their potential to the very best of their abilities.

With the commitment and dedication of our exceptional teachers and pupils, we have consistently competed at all age groups (U11, U13, U15). To maintain this tradition, we are proud to announce that we are hosting the BSME Netball for the third consecutive year. We will be inviting schools from all over the Middle East to attend in January.

The British International School Abu Dhabi | UAE

BIS Abu Dhabi is one of the truly outstanding international schools of the Middle East.

Since the British International School Abu Dhabi opened in 2009, we have made steady progress towards establishing ourselves as the school of choice for over 1800 students in Abu Dhabi and the second largest school in Nord Anglia Education's family of 56 international schools.

Those that already know our school will be aware that this success has been achieved through the persistence and hard work of all our teachers, students and parents. The attitude and environment of this school is one which always strives to achieve excellence and never settles for anything less. It is exactly this attitude that we aim to instil in all our students with everything that they do, especially when representing 'Team Falcon' in the BSME games.

The British International School, Cairo | Egypt

The British International School, Cairo is one of Egypt's leading academic institutions. BISC is a selective, co-educational day school committed to excellence in all of its activities. The School's mission is to be a vibrant international community offering an outstanding British-style education, focused on independent learning and the promotion of global citizenship. The school has 1100 students with a diverse range of social backgrounds, creeds and cultures, as our web pages seek to celebrate and convey.

We are delighted to be taking part in the U15 BSME Games again this year. Our athletes are looking forward to the competition ahead of them and meeting a number of other students from across the Middle East. We would like to thank Cranleigh Abu Dhabi for hosting this year's U15 BSME Games.

The British International School of Jeddah | Saudi Arabia

Our team proudly represents **The British International School of Jeddah** and we are looking forward to participating in another BSME U15 Games.

Many of our students and staff have attended previous BSME Games and our school has had success in the past. We anticipate several days of strong competition, which will test our student's skills, but also will provide everyone in attendance with an opportunity to make new friends and reignite existing friendships from previous BSME events.

Good luck to all of participating schools!

The British School Al Khubairat, Abu Dhabi | UAE

The British School of Al Khubairat was established in 1968 and is celebrating its 50th Anniversary. His Highness Sheikh Khalifa bin Zayed Al Nahyan, the president of the UAE, has been the sponsor of the school for more than 35 years.

Physical Education and Sport play a major role in helping develop the school's vision of providing a world class British education, inspiring all our students to exceed expectations.

This has been highlighted in recent sporting successes at international tournaments. The British School of Al Khubairat are currently the Under 13 COBIS and Under 13 and Under 15 BSME champions.

These successes can be attributed to the hard work and dedication of both staff and students and the continued support of parents within our school community.

The team is very excited to join up with the teams from around the region to make new friends, share experiences and make lasting memories.

The British School of Kuwait (BSK) | Kuwait

The British School of Kuwait (BSK) traces its origins to 1978 when Mme Vera and Mr Sadiq Al-Mutawa established a small kindergarten which became known as The Sunshine School. Currently, there are over 3200 students from Reception to Year 13 at BSK. They come from more than 70 countries and follow the National Curriculum of England through to GCSE, IGCSE, AS and A Level qualifications. BSK is a founding member of the British Schools of the Middle East (BSME), a founding member of the Council of International Schools (CIS), a founding member of the Association of British Schools Overseas (AoBSO) and a member of the Council of British International Schools (COBIS).

Physical Education and Sport play an integral role in developing the school's vision of providing a world class British education. This is the first BSME games for the many of our students, they are all very excited and thrilled to be a part of the BSME sporting family. The enthusiasm of the BSK students will echo through the arena, we are very excited to be here in Abu Dhabi, UAE for this prestigious event.

The British School Muscat | Oman

The British School Muscat has expanded dramatically over the past few years and now has over 1200 pupils covering the ages of 3 up to 18. We have almost 50 nationalities represented within our school with the biggest percentage being British at around 40%

BSM has been a keen entrant in the BSME Games since the Primary Games were first held in 2003. We have participated in the U13 BSME Games since 2012 hosting the event three times. We have participated in every U15 Games since its conception and we are delighted that we are involved again this year

Every year the BSME Games is a tremendous event to be involved in and we are sure that this year's event will build on previous events and take the experience for the students to even higher levels. We are bringing 22 students and four teachers but our goal is as much for the students to have an experience they will remember for the rest of their lives, meeting students from our schools and forming new friendships as it is to worry too much about the winning of the event again—although that would be nice.

Like all teams, our students have trained hard to ensure they can give their best at these games. I genuinely wish the very best for all the schools taking part over the weekend.

Good luck to all participating schools from the teachers and students at BSM

Cairo English School | Egypt

Cairo English School, was founded in 2006 and is a part of the Esol Education group of schools which operates International Schools in Egypt, Cyprus, UAE and Hong Kong.

CES's mission is to provide a high quality British based international education. CES is accredited by Council of International Schools, Middle States Association of Colleges and Schools, International Baccalaureate Organization and British Schools Overseas. The school is built on a 42,000 square meter purpose built facility, that includes a 50 meter swimming pool, indoor and outdoor basketball/volleyball courts, and outdoor running track.

We are very much looking forward to being part of the BSME Games this year. It is a great experience for our students and gives them excellent exposure to the standard of sports internationally.

Kings' School Al Barsha, Dubai | UAE

Kings' School Al Barsha has been open since 2014, following on from the success of our sister school, Kings' Dubai, which has achieved outstanding for 10 consecutive years from the KHDA Schools Inspection.

Kings' School Al Barsha is an educational community centered around positive outcomes for young people. The school's vision and values embrace the challenges of academic excellence, responsibility and leadership, emotional awareness and participation in a wide variety of activities within and beyond the classroom.

Kings' has developed an excellent reputation in school sport in the Middle East in its early years, and last year hosted the largest BSME Games to date, welcoming 16 schools as part of the U11 Large School Games.

Kuwait English School | Kuwait

The establishment of **Kuwait English School** was, in 1978, the dream of the present School Chairman, Mr. Mohamed Jassim Al Saddah, at that time serving as Kuwait's Ambassador to Spain and the current Founder/Director, Mrs. Rhoda Elizabeth Muhmood. Both shared a passion for education. A modest villa in which to start the School (September 1979) was found until in 1984, with a population of some 1500 students of all ages, a purpose-built school was opened. Since that time there have been innumerable developments to ever improve the facilities and the quality of education.

In 1991 a specialised learning department "The Green Unit" was opened to cater for students with learning disabilities. This department has become an icon for recognising and nurturing talent, however modest or concealed, and providing the students with useful life skills along with confidence.

In 1997 a specialised Sixth Form area, designated for students of Years 12 & 13 was opened. This section "The Millennium Centre" was inaugurated by Dr. Rasha Al Sabah who, at that time was Under-Secretary of State, Ministry of Higher Education.

The school currently provides education for approximately 2,500 students from a myriad of cultural backgrounds. Sport and PE are a central part of everyday life with students having many opportunities to participate in both competitive and non-competitive events. Kuwait English School is a member of the Kuwait Foreign Schools Athletic Conference (KFSAC) for juniors and International Schools Athletic Conference in Kuwait (ISACK) for the seniors. The school enjoys great success in both domestic and international sports competitions.

St. Christopher's School | Bahrain

St Christopher's School is a non-profit making British private school with over 2,200 pupils from more around seventy nations. Located in Isa Town, Bahrain (senior campus) and Sar, Bahrain (infant and junior campuses) it offers primary to secondary education ranging from Reception to Sixth form.

We always take part in the U11, U13 and U15 BSME Games. Within the last few years we have also hosted both the U11 and U15 Games and co-hosted the U13 Games.

These are events our students thoroughly look forward to participating in. For most, it is the highlight of their school sporting career.

CONTRIBUTORS

Landscape Luxury Made Affordable

Basatin Landscaping LLC is an exclusive service provider specializing in landscaping services (maintenance, design, and construction) and water management solutions in the Emirates of Abu Dhabi and Dubai. Established in 2013, Basatin has since positioned itself as a value-added partner to all its clients by formulating and executing sustainable solutions to enhance clients' landscape needs by thoroughly identifying and understanding their needs.

Basatin is committed to invest in innovative solutions to streamline operations and enhance the quality of services delivered. One such investment is the CAFM solution which allowed for enhanced operational efficiencies, greater customizations in landscaping service packages, all while ensuring full transparency with Basatin's clients.

Basatin's value proposition is centred in three commitments to the Environment, Workforce, and Community.

Environment - Guided by Abu Dhabi's Vision 2030, Basatin is committed to provide sustainable solutions to enhance and protect the environment through proper management and conservation of water as well as the usage of electrical equipment whenever possible to reduce CO2 emissions.

Work Force – At the core of the business, Basatin's most valuable asset is its team of technicians and staff. All staff are trained rigorously to provide the highest quality in line with Basatin's values. Through the staff training and mentoring programs, clear mechanisms are in place to identify areas of improvement, overcome challenges, and to reward the achievements of each member of the Basatin family.

Community – Basatin understands and respects that its work is intertwined with the daily lives of the residents in the communities served. Basatin's choice of non-toxic pesticides and organic fertilizers when necessary, as well as alternative horticultural methods are clear indicators of the respect to the communities. All business activities comply with local traditions and strive to have a minimum impact on the residents' daily lives.
